NAME

The Jane Hotel

BORN:

2009

DID YOU KNOW:

This former SRO was used back in 1912 to shelter survivors of the Titanic. But thanks to the super-group of Sean MacPherson and Eric Goode (they of the Bowery Hotel) and Carlos Quirarte and Matt Kliegman (they of The Smile), who are kind of like the hipster-hotel-world's Traveling Wilburys, the Jane Ballroom is one of the city's chicest go-to spots.
